Dear Piero,

Many thanks for all your help and expertise during your visit to Galway. You and Paolo made such an impression on all the distinguished guests and it was a great pleasure for all of us here to see you operate and to share your experience and company.

Many thanks to you for the very great privilege that your visit was. Tell Leonardo to keep his camera hand steady! Hopefully we will see you again next year.

Kind regards.

Yours sincerely,

Mr. D. Quill, Consultant Surgeon
